# My Revelation

This is not a book, but a revelation that the generational curse that I have been experiencing over my life is broken. The blood of Jesus Christ broke this curse off my life when I believed and aligned my life with God's Will in 2013. I had to go through the salvation process for deliverance from the wrong Kingdom. I thank God that he shielded my eyes from seeing things that would have caused fear. He covered me as I walked through the shadow of the valley of death. Anything speaking against the word of God were only distractions.

# The Curse is Broken

Whatever is not address or confronted in this generation will pass down to the next generation, and the cycle will continue until it is broken over God's people. There are many things that I saw, but I can only address what God has shown me. The call on my life is without repentance and I must carry it out for the Kingdom of God. My assignment breaks the generational curse off my family which was the curse of physical, mental, spiritual, and emotional slavery on my life and my bloodline. This curse began at the foundation of the earth with Adam and Eve, but Christ has broken this curse off my life as of 10/5/2019. Salvation through deliverance always have dates and times associated with the move of God. These are the fruits from the curse that I personal experienced, but not limited to these. I go in more detail in my testimony book named, "My Faith in the Cross through Salvation: The 2 keys that unlocked the Kingdom of

God". This book will be launched in 2022 as the Holy Spirit guides me.

1. Ignorance to the invisible bondage of the system
2. Ignorance to God's voice
3. Idolatry
4. Adultery
5. Abortion
6. Fornication
7. Masturbation
8. Entertaining other gods

Walking with Christ not only exposed these sins, but I was also given time through grace to correct my behavior so I could be a servant of Jesus Christ. The word of God cleansed me by showing me my wrong like looking in the mirror, but God's grace covered me. The purpose of Christ's teachings on the Kingdom was so we could recognize the behaviors that were not serving God and repent and turn from those sins. Another god was being taught and Christ came against the nature of that god and begin to preach the truth about the gospel of the Good News which was Salvation. I thank God for his life and that God sent him to the earth for my sins and I wasn't even born during the time of Christ. Just like

Christ waited on me; he will wait in others. They just must choose this day who they will serve. Salvation is free and it is a chose. I pray that others would find Christ while there is time.
