

FAITH

And without faith it is impossible to please God, because anyone who comes to Him must believe that He exists and that He rewards those who earnestly seek Him.

Introduction-The Birth of the Kingdom of God “MUSTARD SEED”

The Kingdom of God is like a mustard seed. It is by faith that the Kingdom can be birth because when we are born again, we can see the Kingdom and nothing can stop us from birthing what is revealed to us from heaven. I had no idea that the word of God could produce such a massive and infinite amount of information that became knowledge which is wisdom that guides every part of my life. The birthing of the Kingdom of God within me began at the beginning of 2013. It didn't start to reveal itself until the beginning of 2015. I remember one person that stated to me in 2015 that God is going to use me to advance his Kingdom. When people make these statements, they never expounded on what they meant. It was a planted seed that I had to believe. At the beginning of 2015, I could paint a picture of what I saw on a board, but the painting was for encouragement during my circumstances. The painting was not in its full development. I

had to continue to believe by faith as God unlocked my mind to see and develop the vision. The death of the old life is the birth of new life which is the Kingdom for me. Everything in my life in the past seven years was to prepare me for the Kingdom of God and the coming of Jesus Christ.

Chapter 1 - Consecration Began

Part of leaving the old world I knew, I had to go into consecrating myself before the Lord. It was a journey and it is an everlasting assignment that doesn't end. There are dates associated with times of consecration which I provide below. It's hard to detail everyone as I transitioned, but some things I could write out.

- January 9, 2020 - I started consecration with Beulah Baptist
- January 10, 2020 - I connected to the power source, I was shown that I was connected to the power of God. My confirmations came through events, people, dreams, and visions.
- January 11, 2020 - The Cross Over, but also the birthing canal into the light.
 - After I am leaving my Jordan and crossing over in the spirit as of January 11, 2020, I am entering my ministry like Jesus Christ did in Luke 4. The Holy Spirit is my guide and I must listen at every instance or the

spirits that are before me will take me by force. So, my first encounter was in my own home where a prophet is without honor. I am constantly attached to the spirits, but it has already been written and I must learn how to operate by the spirit. The Holy Spirit is preparing me to walk into what I have not seen before. This birth canal is dark, but I need the Holy Spirit to reveal the truth.

- January 12, 2020 - Elevation started in the spirit, and ministry began with rejection or acceptance.
- January 13, 2020 - Reflecting off the Spirit - Seek the Kingdom, and these things will be added.
- January 14, 2020 - The image that I received was The Kingdom has taken flight. I named the plane 321 I can remember when I met my husband in 2017. One of our first outings together was to at the airport to watch the airplanes take flight. This was a sign, but I did not notice it at the time. We were able to sit by the runway and watch the plans elevate into the sky from the

runway. This was fantastic. That is what today looks like in the spirit realm. Elevation happened in the spirit and will land on the earth, but I do not know the date, time of the destination. I just know in heaven it has taken flight. I must be ready. This revelation came before I even started reading the scriptures for consecration today. The Kingdom is like a plane taking a flight to its destiny. It is like the birth of a child; It is like the transformation of a butterfly. It is the result of what Jesus was speaking about in his teaching. It is a process that many people arrive at after they have endured, and their faith has elevated into the place it needs to be. I have finished my course. I have run my race. While the plane has taken off, the earth is being prepared and cleansed through the consistent rain and floods in areas.

Chapter 2 - My Soul is Reflecting

My soul was reflecting off the spirit before it moves forward into anything. God was showing me to remove certain foods from my diet. He showed me to continue to write snippets of books based on some of the revelations, but it's hard to write all because God is constantly talking. One of my encounters is teaching me how to discern spirits. I received a text from a person who wanted to utilize a product that I have for my business. I have known the individual for 3 years and they have not bought the product for themselves, but they have been in the profession longer than me. What the spirit showed me was the individual has been using me, but my heart was not guarded in the area since I have a love for the sport. The “spirit of parasite” was visible on the person even though they attend church and believe in God. They were walking in disobedience. My old self wanted to rise, but the Christ in me pushed it down. So, instead of responding in the manner that states, “Get your

tools” or “why don’t you have your own”, I yielded to the Holy Spirit for guidance. When I waited on the Holy Spirit, he let me know which of the nine fruits of the spirit I need to release within myself in love. If neither one of these were going to be birthed, then my response was unauthorized by the Holy Spirit. So, I waited for one of the nine to appear in my spirit. My faith is the conviction that allows me to hear the Holy Spirit and stand on the word which guides me by love into self-control by not saying what my flesh wants me to say which makes me wait on the spirit patiently for the correct response towards the person which should come out my mouth in meekness by humbling myself to the spirit of Christ. This form of response was different for me, and it caused me to listen for the Holy Spirit.

When I saw this manifest within me, it gave me peace and joy in my soul. It also birthed love from the response of the other person so it wasn’t a losing battle, but the battle belong to God. It was up to me to listen and follow what the Holy Spirit was saying to me. There is no law that can outline

the structure of what I did because it is done by the spirit. If the person was not operating by God's standards then another response would have come forth putting them in the position to deal with God's wrath. The Holy Spirit teaches me through the fruit of the spirit.

Chapter 3 - Fruit of the Spirit

I use to always hear these 9 fruit of the spirit. I didn't understand them until I started to be taught in the wilderness. Each of them are constantly present and work together just like our personality when we have emotional intelligence and interpersonal skills that guide us as leaders. The fruit of spirit guides us through the spirit and teaches our mind and body how to respond and shut down emotions that are not accurate. They are the results of actions and behaviors. For example, when peace overcomes you in making a decision, it is the results and you have your answer versus operating from emotions that do not provide peace. The nine fruit of the spirits that are listed in Galatians 5:22:
