## Introduction

This has been a challenging month. The day after my mother's 70<sup>th</sup> birthday celebration, my tooth began to hurt. On August 13, 2019, my face began to swell. My first step in addressing the toothache was to find the information for our dental insurance. I received the information from my husband on August 26, 2019. I also began to do natural methods such as garlic, oil pulling, peroxide, Ibuprofen for the pain and other products. I was able to get the swelling down and the pain. I scheduled an appointment with an in-network doctor to get a workup and to see the cost of extracting the tooth. I scheduled an appointment with a credible dental company which I thought would fix the problem, but instead the problem was not fixed. I received a bill of \$57.40. The company overbilled the insurance

company by charging \$281.00. They were only supposed to bill for the 1-year exams and x-rays which came at no cost to me because the insurance company covered the service at 100%. The insurance only paid \$78.60 because the additional services the dental company said they performed was not known to me. This dental situation was part of my journey, and I had to go through it to receive the lesson God was teaching to move to the next level.

# Chapter 1 – The Weapon Formed

The weapon has formed, but it will not prosper against my body (Isaiah 54:17) because greater is he that is in me than he that is in the world (1 John 4:4). I do not wrestle against flesh and blood, but against principalities (Ephesians 6:12). I count it all joy when I fall into various trials and tribulations because it tests my faith (James 1:2-4). When I go through these trials, I must think on things that are pure (Philippians 4:8). I think on the promises of God for my life because if he allowed it to happen, he is taking me through it for a testimony. I realized that this world shut out the Almighty God. We are walking through a shadow of death when we confess to live for the Almighty God, but the blessing in our lives is our protection under the shadow of the Almighty (Psalms 91:1). This is where we dwell with God. While I am walking through my mountains and the shadow of the mountain of health problems look scary, I will not walk in fear. *Though I may walk through the valley of the shadow of death, I will fear no evil for God is with me (Psalms*

23). Christ is our power. Jesus was represented as God's son on the cross, but Christ is coming back in the shadow of the cross. It is no longer a symbol around my neck. I have walked through my cross and I can produce fruit in the name of Jesus Christ. God has been with me my entire life, but I did not know him, nor did I have a relationship with Jesus Christ.

## Chapter 2 – God has been Speaking

God has been speaking to me all my life through my inspiration, passion, ambition, music, movies, church, people, conviction, events, circumstances, trials, tribulations, bible stories, scriptures, numbers, nature, and clouds until I heard his voice for myself. The veil was lifted for me in on 1/14/2013 to come and join him in his work. My pursuit back to him was a valley of death. Once I was awakened to the world I lived in, I began to see that God was with the Tabernacle, but he was also outside of it after Christ's death which is why the veil was torn. This example of the veil being torn also reminded me of how Saul's veil was torn in the old testament. The spirit showed me that America's system is the same spirit as when Jesus Christ walked the earth which represents and image of God "God bless America" posted on the dollar bill. America has edged the Almighty God out with its systems and laws. Although they have edged God out, he honors his word in which the economic system of slavery was built upon. It's evident with

the number of black death's, police brutality and injustice towards the black race. It was never about race, but the Almighty God and his people being delivered. When the remnant showed up, they challenged the system which threatened America's empire. The system produces injustice and required us to come to an unjust system to gain justice.

## Chapter 3 – God’s Glory

The Almighty God will get the glory in this next victory.

The remnant didn’t know Christ, we walked in rebellion against a system that was not structured or built to protect us. We became unprotected because we lacked knowledge, information and how to apply it to remain physically protected by God until we went against the structure and order which is unknown to them because their belief system is rooted in freedom of speech and rights as a citizen. I was treated as if I was not even a citizen when my rights were violated. I was walking through death row when I went up against my job, but God was with me. I came to the throne with boldness because that was my assignment. While it looked like nothing has happened since it has been seven years, wait and watch to see the glory of the Lord. The law is designed that way because they can’t hear God and they need a way for them to hear the sound so they can know how close it will be for the Lord’s return. Deaths are the system’s way of calculating the return. This is the purpose of

social media, internet, and television because they want people to speak to the devices (You Tube) so the spirit can hear. The best way to explain it is when Saul needed David to play the harp for him to drown out the tormenting spirits. God was no longer speaking to Saul through dreams or visions. He also needed Samuel to give him guidance from God because he could not hear. Another example is when Saul went to a medium to call up Samuel's spirit after he had died even after he had forbidden all mediums from operating (1 Samuel 28).

I was always a verbal fighter and emotional because the spirit in me that dwelled was suppressed by the system, so my outburst and rude demeanor was the results of an untamed spirit in the Lord. I would have continued in that same path trying to change with no results if God did not call me and snatch me out of darkness. As soon as the open door came in the spirit, my conviction drove me back to God. I had to endure every set back and set up in order to get to God's promises. I am God's masterpiece. I had to go through my narrow path (shadow) with Christ to hear the Holy Spirit

and recognize Gods voice. God speaks to me when I am at rest. The Holy Spirit speaks throughout the day with direction, and I am excited about my journey with the Father and Christ.
